COMMUNITY TRANSPORTATION ADVISORY COMMITTEE
2016 YEAR IN REVIEW

The Community Transportation Advisory Committee (CTAC) was formed in early 2015. The following is CTAC's 2016 Year in Review:

January 20, 2016 – Connect Transit staff provide CTAC with information on the progress of the Comprehensive Operational Analysis (COA) project, and a funding update regarding the Bloomington/Normal sales tax increase and what it could mean for Connect Transit.

May 18, 2016 – Updates on the COA project and Bloomington/Normal sales tax increase. CTAC was provided a demonstration of the new Genfare farebox. Discussion involving the new fare structure and CTAC was advised to obtain new pass cards once the new fareboxes are operational.

July 21, 2016 – CTAC discussed pedestrian infrastructure and were given bus stop surveys to complete.

August, 2016 – New fareboxes, with new fare media (fare cards), new mobile application and route restructure go live.

October 20, 2016 – CTAC discusses the Downstate Operating Assistance Program (DOAP) and lack of funding by the State of Illinois.

CTAC was provided with several press releases throughout the year and invited to participate in several events hosted by Connect Transit.
